

KASHIBA AYURVEDIC HOSPITAL

Managed by Jayka Jansahayak Trust
Attached to K.J Institute Of Ayurveda & Research-Savli (Vadodara)

DISCOVER THE AUTHENTIC HEALING POWER OF AYURVEDA
AT THE MOST AFFORDABLE HOSPITAL IN VADODARA DISTRICT.

BENEFITS OF AYURVEDIC TREATMENT

- Ayurveda treats the root cause of a disease instead of merely masking its symptoms.
- Ayurveda enhances an individual's quality of life by prioritizing their mental and physical health.
- Ayurvedic remedies are derived majorly from plant and organic origin, and are devoid of synthetic chemicals.
- Ayurveda caters to the treatment of both acute and chronic ailments.

At Kashiba Ayurvedic Hospital we have specialized treatments by expert doctors for all types of diseases.
